Extracts from the Proceedings of the County Council of
Oxford at the December Session, 1878.

Moved by Mr. Munro, seconded by Mr. T. Cowing, and Resolved—That the communication from the Clerk referring to the revision of the By-laws of this Council be referred to a Select Committee composed of Messrs. Hopkins, Field, Cook, W. Peers and the mover for their report at this Session of the Council.

REPORT OF SELECT COMMITTEE.

To the Warden and Members of the County Council
of the County of Oxford :

GENTLEMEN,—Your Committee appointed to consider the propriety of revising the County By-laws beg leave to report as follows :

Your Committee have considered the suggestions in the communication from the County Clerk in reference to the revision of

the County By-laws, and are of opinion that the suggestions made by him should be carried into effect.

Your Committee have examined the By-laws, and find them in a very unsatisfactory condition, some having expired through lapse of time, some repealed or amended, and others rendered inoperative by acts of Parliament.

Your Committee would therefore recommend that a Committee of three be appointed to meet at some time before the next regular session of the Council, and make a thorough revision of said By-laws, and submit a full report of their work at the January Session with a view to publication in pamphlet form of the By-laws of this County.

All of which is respectfully submitted.

G. C. FIELD, Chairman.

Committee Rooms, Woodstock, Dec. 6th, 1878.

Moved by Dr. Field, seconded by Mr. W. Peers, and Resolved—That the report of the Select Committee just read be adopted.

Moved by Mr. T. Brown, seconded by Mr. Sutherland, and Resolved—That the following gentlemen, viz: Messrs. W. Peers, Dr. Field and the mover, be appointed a Committee to meet at some time before the next regular meeting of the Council to make a thorough revision of the County By-laws, and submit a full report of their work at the January Session.

Extracts from the Proceedings of the County Council of
Oxford at the January Session, 1879.

REPORT OF SELECT COMMITTEE.

To the Warden and Members of the Municipal Council
of the County of Oxford :

GENTLEMEN,—The Select Committee appointed by the Council in December, 1878, to revise the County By-laws respectfully, report as follows :

Your Committee have carefully examined all the By-laws of the Council, and after consideration have resolved to arrange them for the sake of convenience in reference, into the following classes, viz: In the first class are included all such as are temporary in their characters and have therefore expired ; in the second class all such as have been repealed by other By-laws, cancelled, or superseded by acts of Parliament, or quashed by Court of Queen's Bench ; and in the third class all that are in force at the present time. Your Committee recommend that the numbers and titles alone of the By-laws included in the first and second classes be printed. Of those in the third class, that numbers 81, 108, 130, 136, 138, 158, 159, 172, 175, 176, 177, 183, 193, 195, 211, 214 and 224 be printed in full. In regard to the remaining 18 By-laws that are in force, it is the opinion of your Committee that they are not of sufficient public importance to require that more than the number and title of each should be printed. Your Committee would also recommend that By-laws numbers 3, 6 and 62 be consolidated and repealed by a new By-law.

Also that By-laws numbers 73, 92 and 171 be repealed by new By-laws.

Your Committee beg to submit herewith for your consideration draft copies for the purpose of consolidating and repealing the above named By-laws.

Your attention is also called to the fact that the third clause of By-law number 159 requires to be amended.

BY-LAWS OF THE COUNTY OF OXFORD.

Your Committee recommend that any By-laws consolidating and repealing the By-laws named for that purpose by your Committee be printed with the other By-laws.

All of which is respectfully submitted.

G. C. FIELD, Chairman.

Report was considered in Committee of the whole, and on motion of Mr. Cook, seconded by Mr. Titus, was adopted by the Council without amendment.

Moved by Mr. Cook, seconded by Mr. Cody, and Resolved—That the Clerk of this Council and Chairman of the Committee on Printing be instructed to have printed along with revised copy of the By-laws the names of the Reeves and Deputy-Reeves of the several municipalities, and the Officers appointed by the Council in each year, from the year 1850 to the present time, similar in manner shown in the copy of the revised By-laws of the County of York.

No. 108.

A By-law of the Municipal Council of the Corporation of the County of Oxford, to prevent the Woodstock and West Oxford Plank and Gravel Road Company from assuming control of the gravel road leading from Woodstock to Sweaburg in West Oxford.

WHEREAS two several notices have been served on the head of this Council that a road company has been formed for the purposes of assuming control of said Woodstock and West Oxford

Plank and Gravel Road; and whereas a petition has been received by this Council, signed by Mr. H. and sixty others, praying this Council to prevent Thomas Clark and five others from assuming control of the said road :

And whereas Arthur Armstrong and five others have served similar notice on the head of this Council; and whereas the latter company has been formed for the same or similar purpose, and with the same object as the former, and believing that the formation of any company for the purposes of imposing tolls upon the travelling public from Sweaburg to Woodstock, along the said road, would be injurious to the interests of the township of West Oxford and the town of Woodstock. And whereas the statute labor (so far as the County road proceeds) is sufficient to keep the same in repair, there being not more than one hundred rods to complete. And whereas it is necessary to pass a By-law by this municipality to prevent the said road from being controlled by any company.

Be it therefore enacted by the powers invested in this Council by the Consolidated Statutes of Upper Canada, chap. 40. sec. 10, Vic. 22. And be it therefore enacted by authority of the same that this corporation does prohibit and prevent Arthur Armstrong, Thomas J. Clark or any other person forming a company under the title of the Woodstock and West Oxford Plank and Gravel Road Company, or any other title, from obtaining possession of that portion of gravel road leading from Woodstock to Sweaburg in West Oxford.

And this Council does prevent any company from imposing tolls upon said road or in any way controlling the same.

And whereas the County Engineer W. G. Wonham, Esq., P. L. W. Dobbie, Esq., P. L. S., for Edwin D. Tilson, Esq., which plan is deposited in the Registry office of the County of Oxford, to the centre of the north end of the bridge, across Otter Creek, on the last mentioned street. Then north sixty-three degrees five minutes east, five chains fifty-eight links, then south seventy-eight degrees forty-five minutes east, sixteen chains twenty nine links—then north eighty-three degrees fifty-five minutes east, four chains thirty-five links—then south sixty-eight degrees thirty-five minutes east, seventy chains thirty links, more or less to the allowance for road between the counties of Oxford and Norfolk.
